DEDICATION

The Seniors and classmates of Dean Neill who are graduating in this year of 1957 chose to dedicate our annual to him.

His cheerfulness, determination, and courage since his accident have been admired by all who know him. Wherever Dean is there also will be a group of friends congregated in the happy atmosphere of good conversation.

Despite his handicap Dean's scholastic record has been above average and has put him on the honor roll for his marks.

We hope that Dean will always give his associates, in the future, as much happiness and inspiration as he has given to us his friends, classmates, and teachers.

We the class of nineteen-hundred and fifty seven entered Altoona School as Freshmen in the year of 1953. During our four years of high school we've taken part in things such as the Class Plays, magazines sales, Proms, choosing class rings, selling Altoona bracelets, and cheering at the many Basketball games. Now the class has a total enrollment of twenty-eight.

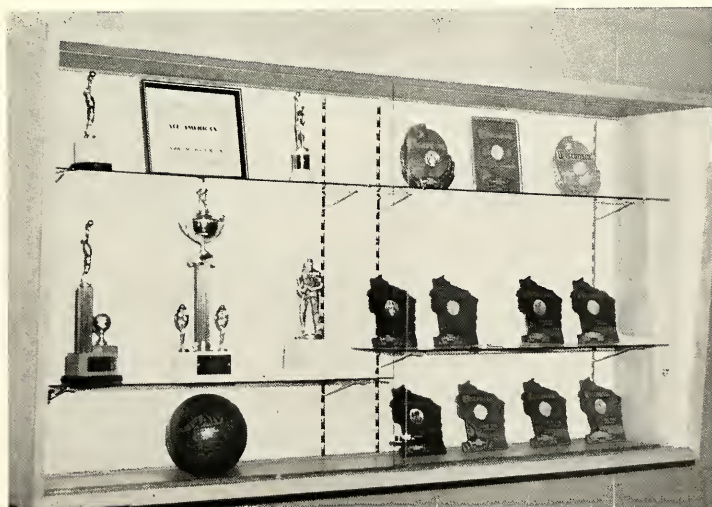

Now as we close the doors of A. H. S. behind us we would like to thank the many people who made possible the construction of our new school and also to thank the principal and teachers for their guidance.

INTERIOR OF OUR SCHOOL

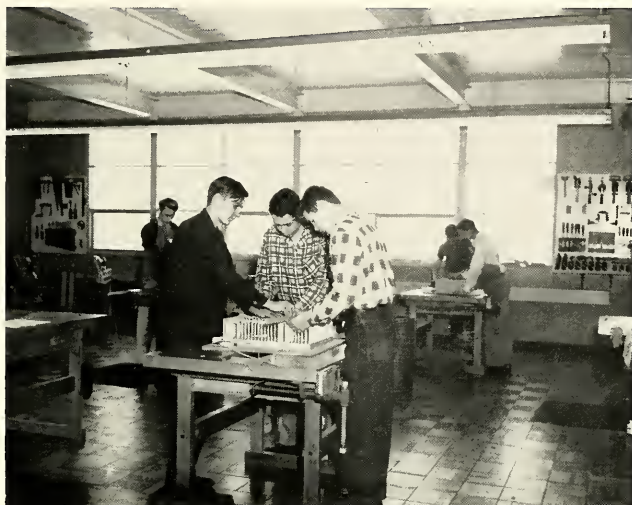

We, the 1957 graduating class are the first to use the facilities of our new gym which was completed this fall. It will prove to be an appropriate setting for our graduation in May. We appreciate very much the efforts of the many people who made the construction of the gym possible.

The old trophy case was destroyed when our school burned five years ago. We've acquired the trophies shown in this picture since 1952. We hope in the years to come that it will again be bulging with trophies and awards.
